Application for employment on the
East. Service as draughtsman etc.

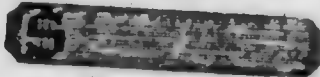

Recd 9 Sept. 63.

Mr J. G. South has been employed in me
at Grafton, and gave me entire satisfaction.
I have at the same time great pleasure
in testifying to his uniformly correct & gentlemanly
conduct, while I entertain a cordial wish for his
future success in life.

Dear Sir,

Mr C. F. H. Smith was
for a long time in the service of this Company
as a Civil Engineer.

His work was principally office work and he
is well qualified as a draughtsman.

Mr. Smith is by profession an architect, and
is in my judgment possessed of excellent taste &
skill in his art.

His knowledge of mechanical structures is extensive.
I should think he would render the Government
essential service in the Engineer Corps.

Very Respectfully

Yours, A. L. Smith

I have known Mr C. & Smith
for many years past - both in
Maryland and Kansas. He
was employed by a Company
of which I was a member
in 1852 to survey a route from
Seneca in the City to (Dennis)
City by way of the Middle Route
- His labors gave full & com-
plete satisfaction - I know him
to be true to the South and loyal
to her interests - His farming
grounds are well known to me
& Mr S. stands as a reliable man
with all who know him - I
recommend him a person of
integrity & honesty - & that his ap-
plication may be successful

for the position of Capt in the Engineer Corps and
be engaged - and if you consider me worthy of the
position I would be under many obligations to you
for a letter of recommendation to Col. Palmer. When
with Capt Grant on telegraphical duty, with Major Rice
on construction and "French" on reconnaissance duty.
I believe I can say I gave satisfaction and I hope
that under you I have so far done my work effi-

Sir

Capt Samuel Field Smith Co 1st Engineer Regt,
on sick furlough granted by you July 20th 1863, died
this afternoon at the residence of his brother F. H. Smith,
Esq., a professor in this institution, of Typhoid fever of
extraordinary malignancy. His family, of course,
have taken possession of the few effects he brought
with him.

Now, I presume, will make the proper report
to the Quæ Auditor, and to the Adjutant General,
required by the regulations.

If he had been admitted as a Hospital patient
this duty would have been discharged for me.

Very respectfully,
Your obedient servant,

Ed. D. Smith

The attention of claimants is called to the following forms in preparing their affidavits, an observance of which will save time, trouble and expense:

STATE OF *Virginia*

Albemarle County, to-wit:

On this *30th* day of *April*

Dr. H. Smith, personally appeared before me, the subscriber, a justice of the peace in and for the County aforesaid, who, after being sworn according to law, deposes and says, that *he* is the deceased, who was a

volunteer, commanded by Colonel *Sumner* in the service of the Confederate States in the war with the United States; that the said *Sumner* entered the service at *Manassas* in *Virginia* on or about the *1st* day of *September* 1864 and died on the *2nd* day of *March* 1865 of disease contracted by exposure in service leaving *no wife nor children*

That *he* makes this deposition for the purpose of obtaining from the Government of the Confederate States whatever may have been due the said *Capt. Sumner* at the time of his death, for pay, bounty or other allowances for his services; as aforesaid.

Sworn to and subscribed before me,

(Signed) *D. H. Smith*

And on the same day and year aforesaid, also appeared before me, a justice of the peace as aforesaid, *Geo. W. M. Intire*, who is well known to me, and whom I certify to be a person of veracity and credibility, who, having been duly sworn, says, that *he* is well acquainted with *Dr. H. Smith*, the claimant, and also well know, for *five* years, *Capt. Sumner*, the deceased soldier herein mentioned, and that the statement made under oath by said *Dr. H. Smith*, the claimant, as to his relationship to the said deceased soldier, is true and correct in every particular, to the best of his knowledge and belief, and that *he* the said *Geo. W. M. Intire* is wholly disinterested.

Sworn to and subscribed before me,

(Signed) *Geo. W. M. Intire*

STATE OF *Virginia*

Albemarle County, to-wit:

I hereby certify that *James Lobban*
gentlemen, before whom the foregoing affidavits of *A. G. Smith*
and *George M. McHenry* have been
made, and whose genuine signature is subscribed thereto, as the times and places of signing the
same, a Justice of the Peace in and for the County and State aforesaid, duly commissioned and sworn
and to all whose official acts as such, full faith and credit is and ought to be given, as well in Courts of
Justice as throughout.

[SEAL]

In testimony whereof, I have hereunto set my hand
and affixed the seal of *Albemarle*
County Court, this *30* day of *April*
Anno Domini, eighteen hundred and sixty *two*
John Smith, Clerk
of *Albemarle* County Court.

If within their knowledge, claimants should state where the officer or soldier was born, and when and
from what cause he died, distinguishing those who were killed in battle, or died of wounds received in battle,
from those who died of disease.

When there is an administrator, a certificate of the fact by the proper officer of the Court grant-
ing the same, under his seal of office, will be all that is necessary.

The law, and these regulations applying as well to conscripts as to volunteers, with respect to the
former claimants and witnesses, will be required to swear to the conscription and the regiment and com-
mander, to which the conscript belonged. They will name the captains and companies when they can
do so, as this information will greatly facilitate the settlements.

Claimants should always endorse on their papers their address, naming postoffice, County and State.

The foregoing forms, etc., have also been approved by the Secretary of War.

Experiences in special education as an Engineer, but service, it with some hesitancy accepted an appointment in Engineer Troops, with orders to report to Engineer Division. The rigors of the service not having permitted the full organization of these troops, the existing piece - equipment was not the one and of an efficient character. The situation was such that an officer of such experience as had been placed in command of a battery desired the services of the Adjutant of the Battalion of Infantry. I felt it was necessary to request that the Adjutant be transferred to the Engineer Division. I was successful in this request. The same important piece of equipment was not.

RECORD DIVISION
Major J. W. Cheffins, Chief
November 14, 1904

As to the loss of the Captains
of the 1st Battalion, Sept. 29th 1904, there were
several of them. The Command there field officers
two of them are now prisoners of war,
the other is about sick. Since my
temporary assignment on Sept. 30th by
Lieut. Col. Reuben C. Condy, Acting Adjutant,
the duties of the post have been very onerous,
requiring more attention than I am able
to give to them.

On assuming Command, I found but
one out of five Captains present. I
have requested that three of them be
directed to appear before a Board of Of-
ficers. The Adjutant is in the hands of
the enemy, and in my judgment none
of the batteries can be spared from the
Company to perform his duties, especially
as they are commanding batteries and de-
tachments. I sent W. A. Macmurtre, Acting
Adjutant, has been detailed by me for
the purpose.

By recent events this post has
become a very important one. To have
therefore the honor to request that an
efficient field officer and a regular, ap-
pointed Ordnance Officer be ordered here to assist
in the performance of the duties devolved upon
me.

If the Lieut. General Condy cannot
grant this application, I have respectfully
request that the paper be specially for-
warded to him.

Dear Genl R. S. Ewell

Yours

I have learned to day that you require the services of a Field Officer of Artillery for Chapin's Bluff, and that you propose to offer to the Secretary of War the name of Lt R. H. Stiles the Adjutant of this command for promotion to that position. In anticipation of such an event, I ^{omit} go ^{out} the pleasure of adding my testimony of the great worth & excellence of Lt Stiles, to the many recommendations which I have no doubt he will have. We have been associated together for a long time in the service, and I can safely say that for fidelity to duty, capacity and gallantry as an Officer he has few equals and no superiors. If the recommendation of one who has witnessed and supervised the military life of Lt Stiles, can affect anything with the appointing powers, I should say to them to give him the Commission, and can assure them they will never have cause to regret the choice.

I remain General

My dear Sir
I have the honor to acknowledge the receipt of your letter of the 17th inst. in relation to the proposed publication of a volume of essays on the history of the Republic of the United States, and in reply to inform you that the same has been forwarded to the proper authorities for their consideration. I have no doubt that the practical knowledge which you possess of the subject, as a lawyer, will be of great value to the country. I am, Sir, very respectfully,

E. J. Stollus was a member of my Company from its formation (March 1862) till about the 1st of April 1864, and was during that time a good soldier, always prompt and obedient in executing orders, and acted gallantly in the various actions in which he was engaged. From what I know of his character as a gentleman I take pleasure in recommending him for promotion as a Lieutenant in the Engineer Troops, and feel confident if promoted that he will be faithful in the discharge of his duty.

Major

I have the honor to make application for an appointment in, or a transfer to, the Engineer Corps. I make the application because I believe that I can do more credit to myself and render better service to the country in the position I seek than in the one I now occupy, and I prefer a position in the Corps to me to any other department of the Army.

As to my capacity to perform the duties of the position I seek, the accompanying testimonials from Officers under whose orders I have had the honor of serving will doubtless have more weight than anything it would become me to say on the subject. Hoping that you will give my application your favorable consideration
I am Major

I wish to make application for an appointment in The Engineer Corps of The Army. I make the application on the ground that my experience in Military Engineering has been of a character better calculated to fit me for service in the Corps than in the position I now occupy. I have been serving under orders from The Engineer Department for nearly two years, and there are letters on file in the Department now recommending me for an appointment in The Corps. Gen Erwin has kindly offered to write to you on the subject and I hope you will not deem it incompatible with the interests of The Service to grant my request.

I have the honor to submit
to the Chief Engineer - with my approval
of Lt. R. M. Fullen's application for an
appointment in or transfer to the Corps, the
additional reason for my recommendation,
that Lt. F. - is able to mount himself.

Further more, while serving with
Gen. J. E. Johnson as his recruiting
officer at the commencement of the
war, he was led to believe that he
could receive an appointment in
the Corps without any effort on his
part.

His position in the troop is not a pleasant one, and there is no doubt in my mind that he will be a far more careful officer in the Corps.

Mr. Sully is about to apply for a
commission in the Eng. Corps U.S.A., and I would
be glad respectfully to offer my testimony in
his behalf.

Mr. Sully is a civil engineer of considerable
practical experience. He was among the first
who shouldered a musket in our ranks and
remained in the ranks until after the battle of
Manassas when he was designated in duty as
Engineer. Since that time though actively engaged
he has received no compensation and has asked
no reward. He has been eminently useful in
this department and ever diligent & faithful
in the discharge of his duties, and I will
therefore confidently refer to you, John. M.
and a Major. General. Chas. to confirm my
estimate of the value of his services.

Sir

Having been advised by Major Thomas Commandant the engineers of the Army of the Potomac, to apply for a commission in the Engineer Corps, with the permission voluntarily given me by Gen Johnston to refer confidently to him for recommendation I beg leave most respectfully to submit my application to your consideration. I feel assured Sir that if you will refer to him {Gen Johnston} his recommendation will be such as to secure me the appointment.

I was detailed from the ranks on the twenty sixth of July last and ordered on Engineering duty. And have been engaged as an Engineer exclusively ever since. I have been employed on the construction of the bridges over Bull Run the rail road from Manassas to Centerville and the rail road & lines connecting the Main track with the Quartermaster's Depot at Manassas of which I had sole Superintendence. For the three weeks preceding our retreat from Manassas and Centerville I was employed by Gen Johnston in examining & selecting roads by which to move the Army to this point. I beg leave herewith to enclose a letter from Captain Robinson of the Engineers, with whom I have

been lately serving. Hoping Sir that my recommendations
may be deemed by you sufficient to warrant you in
giving me the appointment I remain
Very respectfully

Colonel,

Since the 1st of February we
have been furnishing daily details from the Com-
mand, to guard the prisoners at Belle Isle -
While both officers and men are willing to perform
this or any other duty, yet I find it interferes so
much with the instruction and drill of the
Command, that, if possible, we should I think be
relieved from this duty, and permitted to devote
all our attention and energies to the infantry drill
and the instruction of the men in the duties of
Engineers Soldiers. - Although the Command has
been instructed only in infantry tactics - we think
we are still imperfect - and our training, although
we mean, ^{an} unimpaired exception from duty.

In view of the approaching Spring Cam-
paign, when we may, I hope to be, called
into service - I am especially desirous of being
during the Command efficient, as abundantly as
possible - and little or nothing can be done
while we are taxed so severely to furnish guard
posts -

I am, Colonel,
Very respectfully,

The defenses for this place are very defective. an Engineer should be here on duty, there is no Officer or civilian near Columbus fit for this duty.

At Soper Eng. Corps who was at present on 10 days leave has surveyed a great deal in this section and having lived here from boyhood is well acquainted with localities roads et cetera and is perhaps the best fitted for this service. I would most respectfully request that Lt Soper be ordered to report for duty in charge of defenses at this post.

Hoping that this request may be granted and deeming it of the greatest importance. I shall

put Lt. Joffe in immediate charge of defenses

Allow me to introduce Mr Thomas
M. Lopp of this city, and ask you to aid him so far
as you can, in the object of his visit to your city. He goes to
make application to the War Department for a Captains Commission
in the Engineer Corps of the Provisional Army and I should
esteem it a great personal kindness from you to introduce him
to such friends near the Secretary as will put him in the way
of accomplishing it.

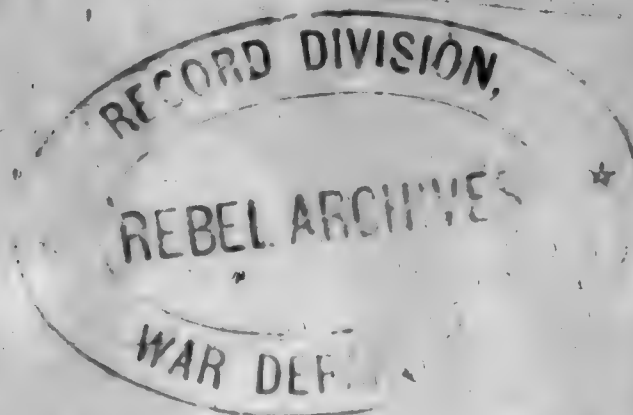

Mr Lopp graduated at the "Western Military Institute"
Kentucky in 1852. Genl B R Johnson being then Col Commandy.
Since that time he has been employed as Civil Engineer
on the Mobile & Ohio Railroad and other important public
works of the Southwest. He has been in the Corps of
Military Engineers since the battle of Shiloh, and was
employed on the fortifications at Corinth under Col Pegram.
I have known him intimately and have been associated with him
professionally for the last six months, and can testify not only
to his skill and devoted attention professionally, but his high
toned character as a cultivated gentleman and honorable
man. He well merits a Commission and will honor it. Of
this you may assure the Secretary of War, with the utmost con-
fidence.

General.

I forwarded to Richmond case of Senator
Phelan of his State a package of recommendations of myself
for a Commission in the Engineer Department. Other recom-
mendations have been sent on by my friends which I presume
have been received at the Bureau.

I was not aware at the time of my making an application
for a Commission that there would be any vacancy in
the Original Corps of Engineers. Since then I have learned
there will be when Engineer Companies under the Land Act of
Congress will be organized.

Should you consider my claims and qualifications as wor-
thy of a Commission I would respectfully request that
it be made to supply any vacancy in the Regular Corps of Engs.
I have had considerable experience both in Civil and Military
Engineering as stated in recommendations and feel qualified to
fill any position to which I may be assigned.

I will be glad to receive some intelligence of my
case at an early day. My address is Columbus Miss.

With much respect

I am General

Dear Mrs. Burtfield:

This is in reply to your letter of 6 August 1952, herewith returned.

A careful search of the Confederate military records in the Army archives has been made and nothing has been found concerning any service rendered by Zachary Lindsay (L.) Wall from North Carolina.

The records show that one Zachariah L. Wall, private, 1st Regiment Confederate Engineer Troops, Confederate States Army, enlisted 10 May 1864 at Knoxville, Virginia. The company muster roll for September and October 1864, last on file, shows him present.

He was surrendered by General Robert E. Lee, Confederate States Army, and paroled at Appomattox Court House, Virginia, 9 April 1865.

Sincerely yours,

ENGINEER DEPARTMENT,

Col. J. H. Gilmer
Richmond.

My Dear Sir.

Some two months
or more ago I made application through
our immediate Representative Harlan
R. Smith to the War Department for
a Letter in the Engine Corps, but have
as yet received no answer in regard to
the application. I commenced as Civil
Engineer in 1857 under Mr. Rods
who was then Chief of the then named
Road, and since then have been on
several other Roads as my letters of
recommendation will show all these
letters were filed away in the Dept.
I applied lately to Genl Rods for
a letter but on account of the
Relations existing between us (that of
brother-in-law) he declined giving it. but

said that if I would get a letter
from Mr Robertson the present Chief
of the Road and very recently made
a Captain in your Regt. would be
sufficient. This I did and you will
find it amongst the rest. if there is any
vacancy that you give could give
me. I would be very grateful. your
cordial attention to this will very
much oblige

Yours etc etc

J. P. Woodruff

Yours obedient servant, June 1st 1863.

Dear Sir

I filed a Memorial of Testimony
on behalf of Mr. Woodruff, in the Office
of the Secretary of War, a short time
before I left Richmond. These papers
were sent to your Office. They con-
tain very simple admissions of
Mr. Woodruff's capacity. I would
be most respectfully to call your
attention to them, believing as I
do that Mr. Woodruff's appointment
to some position in the Corps would
add a very useful and ad-
vantageous man to that Department.
He is a young man of great
energy of character, and in every
respect worthy of confidence.

Very Respectfully,

or

W. R. Smith.

Mr D. P. Woodruff was engaged on the North East & South West Alabama Rail Road as Assistant Engineer from January 1st 1860 to July 20th 1862 when he resigned in consequence of a partial suspension of operations on this line. The division on which he was engaged embraced work of an interesting & varied character. Masonry, Graveling, Bridging &c. and during much of the time, nearly every thing was under his charge.

Mr Woodruff is a gentleman of high moral character, and as an engineer I most cheerfully recommend him for his efficiency & industry. I regret that the condition of this Company is such that it cannot offer him a situation on the road.

given me by Mr. B. Prichard, the one I sent
you yesterday was copied by one of the young
men in this office and was not copied
as it was first written by Prichard himself
I had misplanned it consequently could not
send it, you will oblige by bring this one
in my behalf and not the other. I have only
one more to get it will be sent to-morrow
I can get some from the Faculty at the
University as regards my standing conduct or
notable than if you think it necessary. They know
nothing as regards my Engineering Qualities. I hope
you have received one from Genl. Rector that one
I anticipate will have more force with the War
Department than any I can get. Let me hear
from you soon. Father wrote to Mrs. Yancy,

I take pleasure in having testimony to
the high character, fine capacity, nobility
of Mr. Charles E. Young. & I cannot
fully in the opinion that he has earned
attention being for position as officer
in the Corps of Engineers. He is a
working man of high attainments
perseverence. By his efforts
will make his mark as a man
of great importance.

Hon James A. Seddon
Secy of War

Staunton
June 9th 1863

Sir

I take the liberty of recommending for appointment to the office of Lieut of Engineers, Mr Charles Young, of Augusta County

Mr Young is the son of a gentleman in very moderate circumstances, with a large family. His father was not able to supply the means to enable him to obtain a liberal education, but Charles by his own energy & industry, by teaching school, earned a sufficient sum to enable him to attend one or two seasons of the University - He then applied himself diligently, & secured the approbation of his professors - He is a young man of exemplary habits, vigorous constitution, strong natural mind, & a particular talent for Mathematics - At the commencement of the war, he left the University, to join the Army, & has been, continuously, in active service, ever since - He has been in many of the most severely contested battles, & has always conducted himself with gallantry & propriety -

His fine habits, excellent attainments, good service, manly bearing & long continued service, in my judgment, entitle him to promotion at the hands of the Government. Respectfully,
Alfred H. Stuart
